**Scratches During the Meet**

- Please see the last page of this document for the summary of **important deadlines**.
- **11 / 12 prelim scratches** are due by 6:00 PM the evening before the event.
- **11 / 12 finals scratches** are due within 30 minutes of the prelim results being announced.
- All 11/12 scratches – please use **official scratch cards** available at the Clerk of Course table.
- **10 & Under scratches** are not required but greatly appreciated. You can use the Entry Lists report to submit scratches by 9:30 AM. We will be seeding the 10 & Under sessions during 11/12 prelims. This will allow us to have heat sheets available for coaches and parents at the start of the warm-ups. You can help avoid empty lanes by telling us of known scratches (including those events your over-entered swimmer will not swim) before we seed the session.
- All **distance events** (400 yards or longer) and the Thursday evening 11/12 400 Free Relay require positive check-in. Thursday events check in time is by 5:30 PM. Friday 11/12 400 IM check in is by 9:00 AM. Saturday – Sunday 11/12 distance events check in is by 8:30 AM. Check in is at the Clerk of Course table.

**Arriving at the Pool**

- **Coaches Packets** will be available in the file boxes by the Clerk of Course. During the meet, if the referee cannot find you to give you a DQ slip, she will put the slip in your file folder.
- **Coaches Meetings** will be held Thursday evening at 5:45 PM, Friday morning at 8:45 AM, and Friday afternoon at 12:15 PM. The location of the meetings will announced. Please attend one of these, preferably the first one when you are at the pool. The same content will be shared at each meeting. We will call an additional meeting if needed.
- **Wear your USA Swimming card when on deck.** Parents are not allowed on the deck of the competition pool. You cannot have non-credentialed helpers with you on deck. Help us keep your team's parents off the deck.

**During the Meet**

- **8 lanes vs. 10 lanes:** We will use 8 competition lanes for the Friday morning and Saturday morning prelims. The distance events those two mornings and all other sessions will use 10 competition lanes. For the two mornings with 8 lanes, we will compete in lanes 3-10 and use lanes 0 and 1 as warm-up/warm-down lanes. For all the other sessions, when using 10 competition lanes, we will use the three lap lanes in the leisure pool for warm-up/warm-down.
- **Breaks between events** will occur throughout the 11 & 12 Prelim (morning sessions) as well as after awards ceremonies during the other sessions. These breaks are required to allow swimmers to have sufficient rest between events.

- The **11/12 Finals** sessions will include ten swimmers in each of the Consolation Heats and Championship Heats. Swimmers in the championship heat should meet at the stairs at the far end of the pool to march to the blocks for their heat.
- **Time Trials** will be offered in the afternoons after the 10 & Under sessions if there is time. Time trials are open to any USA Swimming registered swimmer. Sign up for time trials at the Clerk of Course table (by 2:30 Friday, 3:00 Saturday and Sunday). Time trials are \$10 for individual events and \$40 for relays and proof of USA Swimming registration must be provided if the swimmer is not already entered in the meet. There is no specific schedule of events. Time trials count towards an 11/12 swimmer's limit of three individual events per day.
- The **warm-up/warm-down lanes** in the leisure pool will open to meet swimmers as soon as the meet session starts. Swimmers are not allowed to use those lanes during warm-ups.
- **Timing Assignments** and **Warm-up Assignments** will be posted on the NES website.
- Most teams have **timing assignments**. There are a lot of lanes and a lot of sessions so there are a lot of timing assignments. Timing is assigned based on number of swimmers, number of entries, and the number of officials from each team. We have given 11/12 Finals assignments to teams we think will have swimmers that evening. Even if no swimmer qualifies for the finals, the team is still responsible for that timing assignment. If a team does not provide the timers it has been assigned during one of the sessions, the team will be fined \$100 per incident.

### Awards and Scoring

- **Awards Ceremonies** will be held throughout the 10 & Under sessions and the 11&12 Finals sessions. The top eight swimmers and the top three relays will be presented awards during the ceremonies. The top eight instead of the top ten are included in the awards ceremonies because medals go through eighth place.
- The **schedule for awards presentations** is embedded in the meet timeline that will be posted on the NES website. Essentially we'll swim events 7, 8, 9, & 10 give awards for events 7 & 8, swim events 11 & 12, give awards for events 9 & 10, etc. This allows us to finalize results and put stickers on the awards before the ceremony. Thursday evening events will be awarded at the first awards ceremony for their age group on Friday.
- The **coach of the winning swimmer** is responsible for **presenting awards** for that event.
- Swimmers may pick up **ribbons** for their events after the awards ceremony for that event. (9th-16<sup>th</sup> for individual events, 4-8<sup>th</sup> for relays). Carol Healey will have those ribbons. Please check with Carol before you leave at the end of the weekend to pick up any awards your swimmers have not taken.
- **Scoring** is through 16<sup>th</sup> place for both individual and relay events.
- **Top 8 Swimmer and Team High Point** awards will be awarded at the end of the Sunday afternoon (10 & under individual high point) and evening (11/12 high point and meet team high point) sessions.

### Using the Facilities

- Please follow the instructions of the facility and meet staff.
- There are limited locations where you can **hang a banner** (no duct tape). You may want to leave the banner at home.
- You can bring chairs to use on the deck and leave them overnight. There is lots of deck space but limited benches. Lots of kids will be sitting on the cement deck.
- The rest of the **facility is open to the public** (and meet families for a fee) during the meet. Help stress with your swimmers that they can only use the warm down lanes on the leisure pool side. They cannot go on the play equipment or the slide. If your swimmers want to play after they are done, their parents will need to buy a day use pass for the swimmer and a parent. You may need to remind your swimmers that they are here to compete in a championship meet not to play on the fun looking equipment.
- **Please do not bring food on the pool deck.** It's a facility rule.
- **There is no smoking in or around the facility.** There is no smoking within 500 feet of the facility.
- **Parking** is free but limited. Carpooling or shuttling from the hotels is appreciated.
